Westlands Road • Westlands, Nairobi

1-Bedroom Suites

Designed with an emphasis on fluid openness and intimate luxury, this refined 1-bedroom sanctuary delivers an elevated lifestyle in the heart of Westlands. The floor plan unfolds seamlessly from a sun-drenched living gallery into a private, noise-insulated bedroom quarter. A sleek culinary space combines clean minimalist lines with high-end architectural fixtures, framed by expansive glass elevations that capture sweeping skyline vistas.

2-Bedroom Residences

Designed with an uncompromising focus on structural integrity and refined spatial flow. The layout transitions effortlessly from a panoramic, sunlit living area into private, acoustically insulated sleeping quarters. An artisanal culinary space features monolithic stone worktops and precision-engineered fixtures, framed by floor-to-ceiling acoustic glass that draws in ambient city lighting and frames striking urban horizons.

Duplex & Penthouse

Tailored for the connoisseur of refined domestic space, these multi-level 4 and 5-bedroom duplexes combine dedicated study and private staff quarters. Grand entertaining levels sit beneath dramatic vertical dimensions while private quarters remain secluded. Culinary workspaces defined by monolithic stone counters and high-tolerance hardware deliver the pinnacle of multi-level luxury on Westlands Road.
