Ring Road • Westlands, Nairobi

Studio & 1-Bedroom Suites

Positioned along Ring Road, these residences deliver refined urban living. The studio maximises spatial efficiency with an open-plan layout, premium finishes and a high-spec kitchen. 1-bedroom suites feature a full en-suite bedroom quietly zoned from the entertainment area, a semi-open contemporary kitchen with stone countertops, and acoustic floor-to-ceiling glass opening onto a private balcony with skyline views.

2-Bedroom Residences

Architected for privacy and scale, these homes place dual all-ensuite bedrooms on opposing wings. A light-filled living and dining core opens to dual-aspect glazing and a wide balcony. Select units add a versatile study. Custom finishes, semi-enclosed high-end kitchens and world-class amenities create a refined balance of entertaining space and personal retreat.

3-Bedroom + DSQ

Spanning up to 168 sqm, this residence anchors around a sprawling living and dining salon that flows into a professional-grade enclosed kitchen. All bedrooms are fully en-suite and zoned for complete privacy. Monumental glass doors open to a wide private balcony framing city horizons, pairing sophisticated design with uncompromised domestic comfort.
