1 & 2-Bedroom Residences

Designed for style-conscious professionals and investors, the 1-bedroom home places a private en-suite bedroom away from the entertainment space for acoustic isolation, while the 2-bedroom executive residence sets two en-suite bedrooms on opposing sides for ultimate privacy and independence. Both pair a modern kitchen, custom storage and quality stone surfaces with a sunlit living area and a spacious private balcony.

3-Bedroom + DSQ Residence

Embodying spatial grandness and architectural elegance, this flagship home has three fully en-suite bedrooms, zoned to preserve quiet personal retreats. A sprawling living and dining room pairs with a fully enclosed, chef-style gourmet kitchen with premium stone surfaces and a dedicated utility room, finished with designer sanitaryware, floor-to-ceiling windows and a generous private balcony.
